Inclement weather and other poor visibility conditions make it difficult for other motorists to see you, but not with the Avanza's powerful fog lamps.

FRONT GRILLE AND BUMPER

Adding to its refined yet robust appearance, the all-new Avanza's larger trapezoidal grilles are perfectly complemented by its deeply sculpted frontal bumper.

AUTO-FOLD MIRRORS

The Avanza isn't just fit for every fam, it's also better suited for tight parking spaces thanks to its automatic side mirror folding system.

LED REAR COMBINATION LAMPS

If you liked it from the front, then you'll love how the Avanza's rear door-type LED combination lamps mix safety with sleekness.
